This month's theme: Community Citizenship –
in what ways can students be better school citizens.

Here are some examples from December:

- Nourish Cowichan March for Meals – Student Parliament raised money through a walkathon and a milkshake sale for this non-profit organization that provides lunches for kids for 7 schools in our district.
- Grad & Red Cross food drive; gathering non-perishable items for the Mill Bay Food Bank.
- CAN (Cancer Awareness Network) – toy drive for the BC Children's Hospital. These toys go to kids who are confined to the hospital over the holidays.
- DSAC (District Student Advisory Council) – back pack project to gather toiletries and clothes for students in need in our District.
- Peer Counselling – Angel Tree Project; anonymous names are chosen to give gifts to kids in need in our community.
- FKSS Gardens – thanks to all the kids who worked hard on our school grounds to get our garden beds ready. We hope to be growing vegetables for our Cafeteria and the community food bank this spring.

What have you done to better our community and/or the world in general? Please discuss
