## Android Printing to EveryonePrint

- 1. Download and install the EveryonePrint App from the Google Play Store http://sd79.bc.ca/s/eopapp
- 2. This will install the EveryonePrint app and the EveryonePrint print service.
- 3. At this point it is not necessary to enable the print service we only need to use the app.

4. Open the **EveryonePrint** app

	MY JOBS	ACCOUNT	SETTINGS	HELP	
	Using gateway:				
epc.edu.sd79.bc.ca		Tap here after entering the gateway			
		Tap here to save settings			

- 5. Enter this address in the Using Gateway field: epc.edu.sd79.bc.ca
- 6. Then tap the Test Connection button this will confirm the connection and allow you to Save it
- 7. Once the connection has been saved, tap the **Account** button at the top of the screen
- 8. On the Account screen enter your username and password (the same as your OwnCloud and Printing) and tap the Login button
