

Using NetMarks to track student progress online

<p>From the Frances Kelsey Website (www.fkss.sd79.bc.ca) click on the “Students & Parents” tab</p> <p>From the drop-down menu, click on “NetMarks”</p>	
<p>If you have not accessed NetMarks before, you will need to activate your son/daughter’s account first by clicking here</p>	 <p style="text-align: center;">Track progress online Passwords available from the advisor but you must activate your student first to use NetMarks.</p>
<p>If you <u>already have</u> a NetMarks account, you can fill in the information here</p> <p>If you <u>do not have</u> a NetMarks account, click here to take you to the next screen</p>	
<p>If you are setting up NetMarks, enter the following information. Once you have entered the information, click submit then check your email to activate the account. Remember the password that is emailed to you.</p> <p>You only have to provide this information and go through this step once.</p>	

Once you activate the account, you can now access NetMarks from the Frances Kelsey website by entering you User Name and Password.

Once you are logged into NetMarks, you will see this screen. Click on your child's name.

To see your child's progress, click on the "Marks" button to open a new screen that will show you your child's classes, teachers and their marks to date.

If you have difficulty, please contact Christa at 250 743 6916 extension 237.
