## CANUCKS AUTISM NETWORK FUNDRAISER

Did you know that 1 in 66 children in Canada are on the Autism Spectrum?

With over 16,000 families living with Autism in BC, the need for help is greater than ever. The Canucks Autism Network helps people living with Autism enjoy a lifetime of sport and physical activity and provides opportunities to develop social and communication skills in safe and supportive environments.

Frances Kelsey staff and students can show our support for families and peers on the Autism Spectrum by donating to the Canucks Autism Network.

How can you help?. There are almost 1000 students at FKSS. **Our goal is to collect \$1000 (or \$1 for every student). Once we reach this goal, we will draw names for three prize packages.**
