PARENTS:

Attention fruit tree seekers! Dinter Nursery has graciously donated two fruit trees - spartan apple and lapin cherry - to the bio club, and although we are not able to plant them at the school this year, we would like to offer families and staff the chance to bid on them. They have been priced as \$99/tree and all money will go towards purchasing smaller plants that we can put in our log garden. We would also be open to plant exchanges. Please contact Lindsay Janes if you are interested in these fruit trees. ljanes@sd79.bc.ca
