What is MyED?

MyEd BC is a secure, provincial student information database which is used to collect and manage student information used for educational program and administrative purposes.

Is the information secure?

Student information is protected by the rules and regulations of the School Act and Freedom of Information and Portection of Privacy Act. Users only have access to their own student's information.

How do I get started?

All parent/legal guardians on school file will receive an email which contains a link to the MyEd website, a Login ID and a temporary password information. Please check your JUNK or SPAM email folders if you didn't receive the email.
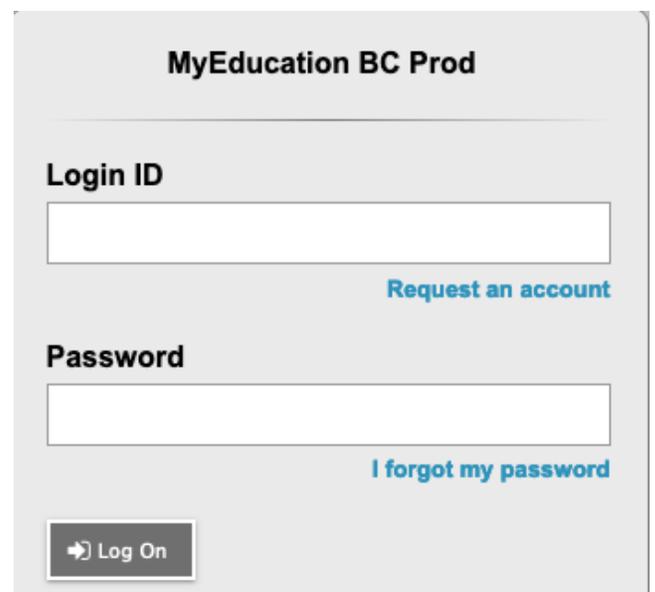

You can log on to the MyED website from any computer that connects to the internet.

How do I access my account?

Log in to the MyEd BC's Parent Portal with the information you received in your email.

1. Go to https://myeducation.gov.bc.ca/aspen/logon.do
2. Enter your Login ID and temporary password
3. You will be prompted immediately to change your password

Need help logging in?

If you have any issues logging into the MyEd BC Parent Portal, email fkssparentportal@sd79.bc.ca.

Please make sure to include your student's name and PEN.

Locked out of account?

Ten unsuccessful login attempts will disable your account and if this happens, you will have to request that your account be re-activated by emailing sismanager@sd79.bc.ca. This may take several days.

Changing your password

When choosing a new password, please refer to the following guidelines:

- Password must be a minimum of eight characters
- Password must contain at least one number
- Password must contain one capital and one lowercase letter
- Password must contain at least one symbol that isn't a letter or a number
- Password cannot contain 'password', login name, first name, middle name, last name, date of birth, personal id, or only a sequence of letters or numbers
- Samples of acceptable password: Jan2017$, Snow999!, Welcome1$
- Write your password down and keep it in a secure area for future reference
- Passwords are good for 90 days, at which time after a successful login you will be required to create a new password immediately.
