

École Cobble Hill PAC Bursary Award

The Parent Advisory Council of École Cobble Hill Elementary is pleased to offer a bursary award in the amount of \$1000, which *may* be split by up to 4 students.

This award is open to students who previously attended École Cobble Hill or École Mill Bay for at least 1 academic year who are entering studies in post-secondary education.

Applications are accepted from public and private schools.
Applicants do not need to be living in BC.

Applications should consist of:

1. A personal letter of request for the award telling us about yourself and the impact that your time at ÉCH has had on your goals and ambitions.
2. Signed school declaration form (proof of attendance at École Cobble Hill)
3. Transcript of grades
4. Resume
5. Letter(s) of recommendation (from non-family members)

The recipient(s) of the École Cobble Hill Award will be chosen from all eligible applicants at the discretion of the PAC executive.

Some criteria that are considered include continued interest and promotion of French language, expression of École Cobble Hill's values, and contributions to the South Cowichan Valley community.

The award(s) shall be dispersed to the chosen recipient(s) upon proof of enrollment in studies at a recognised post-secondary institution, and shall be paid directly to the institution.

The award must be used within 12 months of the recipient being notified of the award.

Requests for an extension beyond 12 months would be considered based on the reasons for request on an individual case basis.

If École Cobble Hill PAC does not receive either confirmation of studies or request for extension by October 31 of the year the award was granted, a runner-up winner from the same year's candidates may be awarded instead.

Send applications by April 10 to:

PAC President
