

November 2023

AUXILIARY TO THE COWICHAN DISTRICT HOSPITAL
YOUTH VOLUNTEER PROGRAM BURSARY

Conditions:

Available to students who have completed the Island Health Step-Up Youth program in the 23-24 school year and who intend to advance to post-secondary education in Canada in some facet of human health either immediately following high school graduation or within one year following graduation.

An application should include a 200-250 word essay that shows clarity of thought, good grammar, appropriate punctuation and if possible, illustrate determination to succeed.

Essay topic:

Please explain how your experience in the Step-Up program and exposure to medical services has created or reinforced an interest in a career in medicine.

Please also include a transcript of marks for Grade 11 and whatever is available for Grade 12. Award will be paid directly to a recognized Canadian post-secondary institution upon receipt of proof of acceptance and registration.

Applications can be sent electronically to: cdhaux22burs@gmail.com
with student name in the subject line.

Applications accepted from March 10 to April 4, 2024

BURSARY - \$1,500 / additional awards TBA
