### **PARENTS:**

#### **Lost & Found at Transportation**

Student belongings such as gym strip, lunch bags, hats, mitts, iPods, cell phones, etc., etc., etc., are left on buses daily. Our bus drivers clean and sweep their buses after each run and may keep items on the bus for a day or two in hopes that the owner will claim it. However, students often do not realize that they have lost or misplaced an item, and not all items are claimed.

All belongings are brought into the Duncan bus garage and held for 2 months, after 2 months the items are donated.

If you have lost something, please come to the Transportation office and have a look through the collection. We are located at 2557 Beverly St, Duncan, our office hours are 8:30 am until 4:30 pm.

## **STUDENTS:**

**This week is Remembrance Week in Canada**, a time when we honor the courage and sacrifices made by veterans and members of the Canadian Armed Forces. As we approach Remembrance Day on November 11, let's take a moment each day to reflect on the freedoms we enjoy thanks to their dedication. We're also giving out poppies in exchange for any donation, with all proceeds supporting our veterans. Let's wear our poppies with pride, attend remembrance events, and take time to learn about Canada's military history. Together, let's honor those who have served and those who continue to serve our country.

Attention students who are interested in Biology or Environmental Science. **The Bio/Enviro club** will have a meeting on **Wednesday November 6<sup>th</sup> in room 220 at lunch** to discuss potential projects to take on this year. New and old members welcome! Past projects have included organizing material for "Earth Day", projects on recycling and garbage disposal, and last year the group created a lovely pollinator garden at the back of the school.
