STUDENTS:

Calling all Young Authors! If you are interested in writing and want the opportunity to have your work reviewed by an already published author as well as learn about what it takes to become a successful published author, the Young Author's Conference is for you! It is happening on Thursday, May 1st, this year in our district and there are limited spaces available. If you are interested, please see either Ms. Sutherland or Ms. Baker

in the library for information in the next two weeks. You will be required to submit 2 pieces of your original work before the conference for review - deadlines to come.

SPORTS:

Whalers Junior and Senior fun game, Monday, Feb 10th 1:00-2:50pm at Kerry Park.

CAREERS:

Work Experience students-For those students who have completed their 90 hours, please submit the remaining units for your WEX 12 credit. There is a prize for completion and BONUS SWAG all this month!!

TASK-We are accepting Trades Awareness, Skills and Knowledge applications. Interviews for next year will happen in the spring. Priority is given to grade 10's and 11's but if you are thinking of going into the Trades field, this is a great program to help get direction and what to expect. Pick up a TASK application in the Career Centre!

Grade 12's Scholarship and Bursary Information. Come to the Career Centre for help with your scholarship and bursary applications. The deadline to submit is the last day before spring break, Friday, March 14th.

TEAC 105 at Camosun College

Grade 10 & 11's students interested in the Technology and Engineering field:
