Scholarship and Bursary Applicants

CUPE 5101 is pleased once again to offer bursaries for students that have active 5101 family members. We will be following the below guidelines when awarding our bursaries:

- The student must have an active CUPE 5101 family member for the application to be considered by our Bursary Committee.

- A valid application must be fully completed and sent back to the school bursary coordinator as per the deadline.

- The CUPE 5101 Bursaries will be awarded as per the below list:

  - Quw'utsun Secondary (1 bursary x $500)
  - Frances Kelsey Secondary (1 bursary x $500)
  - Chemanius Secondary (1 bursary x $500)
  - Lake Cowichan School (1 bursary x $500)
  - CVOLC (1 bursary x $500)

If any of the above schools don't have the allotted amount for their schools, CUPE 5101 will still award all 5 bursaries. The bursary money will just be spread around to other secondary sites with multiple applicants.

Sincerely,

Adam Clutchey
CUPE 5101 President
